

Book Rental Return Form

Thank you for returning your rental books. Please complete this form and include it **INSIDE** of your package, with your books, for the Bookstore to process. Failure to include this form will affect processing your return.

The WCU Bookstore recommends shipping your books via media mail with United States Postal Service for the most affordable processing. No matter which carrier or service you choose to ship your books, make sure you have a tracking number and keep a copy of it with your receipt. If there are processing or shipping issues with your books you will need your tracking number to dispute any irregularities with the Bookstore. The WCU Bookstore is not responsible for items lost or misplaced by shipping companies.

Before sending your package, please verify your outstanding books. You can view outstanding materials on the following website: <https://citation.wcu.edu/RentalAccountStatus/>
